MICRODATA RECEIVES 'BEST OF BEVERLY' AWARD FOR SECOND STRAIGHT YEAR FROM THE US COMMERCE ASSOCIATION

Award recognizes excellence in Computer System Design and Consultation

Beverly, MA (February 16, 2010) – MicroData Group, Inc., the premier provider of outsourced IT services to the small-to-mid sized business market in the Boston area, today announced the receipt of the US Commerce Association's 'Best of Local Business' 2010 award.

"We're extremely pleased to receive this award for the second straight year," said Glenn Mores, MicroData's President. "The recognition not only of our expertise but our commitment to our local community is very important to us. "

Each year, the USCA identifies companies that they believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community."

"We look forward to continuing to work with the Beverly community for many more years", said Mores.
